## I LOVE SWEDEN – FÖRELÄSNING PÅ ENGELSKA

### What is it about those swedes?

This is a perfect lecture for a company how to work with Swedes in any way.

What does it mean to be Swedish?

In a funny way Marika explains swedish traditions, why people are stiff, difficult to be best friend with and why we spend all our time in our homes.

Marika will guide you through "Swedishness", all from her point of view.
